

Awaken To Oneness

Oneness Blessings & Meditation

An Experience, Not a Concept

Kathleen Petryshyn & Guest Oneness Facilitators

Every Thursday Evening at 7:00 PM

Discover Wellness

543 Orange Avenue

Coronado, CA 92118

The Oneness Blessing is an intelligent energy directly transmitted by a Oneness Facilitator to a receiver. This experience accelerates the awakening of your consciousness and the flowering of your heart. Spontaneous feelings of joy, inner calmness and connection to the Oneness in everything can occur. Along with a “de-clutching” of the mind, the Oneness Blessing helps to improve relationships, release traumas, and facilitate deep emotional and physical healing as the sense of separation leaves.
